Adventure has always been more civilized in the 2002 Nissan Pathfinder. Available heated leather seats, automatic climate control and a 6-disc CD Bose" audio system help keep that tradition alive. And as for power and capability, it comes with a 250-HP 'V6 engine and Alf-Mode 4WD," one of the most advanced 4WD systems in the world. It also won the J.D. Power and Associates Award for "Best Middisc Sport Utility Vehicle in Initial Quality." So, next time you venture into savage terrain, bring some sophistication with you. For more information, visit a Nissan Dealership today or check out www.nissancanada.com.
